EDINA GARDEN OF EDEN, ST  
PETERSBURG, FL

Charming Dual-Dwelling Oasis in Historic Euclid St. Paulâ€™s Neighborhood! Welcome to Euclid St. Paulâ€™s, one of St. Petersburgâ€™s most cherished neighborhoods. Once an orange grove, this area began its transformation into a residential gem as early as 1917. With unparalleled community feel, historic charm, and proximity to downtown (just 5 minutes away), this neighborhood offers the best of both worlds. This one-of-a-kind property boasts two dwellings on one lot. The front house is a 1925 Bungalow that features 2 bedrooms and 1 bathroom (currently configured as a 1-bedroom with a walk-in closet and home office). The bathroom features elegant new white-and-gray subway tiles and a backlit mirror. An open floor plan seamlessly connects the living and dining rooms, and the updated kitchen boasts modern finishes, including a BESPOKE Samsung refrigerator. The kitchen has a door off the side that leads to the shared courtyard.

The second dwelling was built in 1939, originally served as a garage but has been beautifully transformed into a 2-bedroom, 2-bathroom, 2-story residence. The first floor features 1 bedroom, 1 bathroom, a living area, and a kitchen-like space with a mini fridge, perfect for entertaining by the pool. Prop open the double doors for seamless indoor/outdoor living. Walking up the stairs to the second floor, youâ€™ll notice a full kitchen, spacious dining

room, office/den leading to a balcony overlooking the backyard, and a large bedroom with a bathroom featuring retro black-and-white tile. Preserved historic details include original wood floors, doors, and glass doorknobs.

The real show stopper is the backyard. A private paradise, featuring a saltwater pool + spa with color-changing lights and a dark pebble sheen surface. Lemon trees line the fence, pick fresh fruit from your own backyard! Mini putting green and a covered lounge area under the balcony. A fire pit for cozy Florida evenings. Landscaped with pavers and mulch for low-maintenance living.

The front gate opens to a parking pad, while the fenced backyard ensures complete privacy.

Additional Features include ADT alarm systems in both homes, New irrigation system in the front yard. Updates: plumbing (2024), HVAC (2020), windows/doors (2022). Located in Flood Zone X and a non-evacuation zone, withstanding recent storms without damage. This property is a rare find, blending historic charm, modern upgrades, and endless entertainment potential.
